## ***American Star Available for Ship Inspections at 2009 Cruise-A-Thon***

American Cruise Lines is pleased to announce the ***American Star***, the newest ship in the American Cruise Lines fleet, was available for shipboard inspections at the Travel Trade Cruise-A-Thon in New York City on Thursday, June 4 at Chelsea Piers. Trade show attendees had the chance to get a first hand look at the uniqueness of a small cruise ship. Along with inspections, American Cruise Lines hosted a reception onboard for travel professionals taking advantage of this great opportunity.

Over 300 travel professionals toured the ship and the feedback was phenomenal. Travel professionals to the ship were very impressed not only by the oversized staterooms, but also the beautiful lounges, casual yet elegant ambiance, attentive crew, outstanding food and the many other amenities onboard.

### ***American Star Features:***

- 52 Staterooms, largest in industry
- Many private balconies
- Elevator to all decks
- Flat Screen Satellite TV and DVD Players in all staterooms
- Hairdryers in all staterooms
